The Greater Lawrence Sanitary District's (GLSD) Contractor, Green Mountain Pipeline, will be rehabilitating a sewer pipeline on **Broadway (Route 28) between the intersections of Kirk Street and Park Street**. Construction will occur at night to minimize disruption to residents, businesses, and local traffic during the daytime hours. Sewer service will not be disrupted.

Phase 1: Cleaning of the sewer pipeline will occur between **November 4th to November 5th** between the hours of **8:00 PM and 6:00 AM**. Residents/businesses can expect minimal disruptions to traffic during these hours.

Phase 2: Sewer pipeline rehabilitation will tentatively occur between **December 1st thru December 10th** between **8:00 PM and 6:00 AM**. Residents can expect minimal disruptions to traffic flow.

- There will be **No Parking** allowed on the west side of Broadway beginning at **7:00 PM** to accommodate construction equipment and materials.
- "No Parking" signs will be posted 24-hours in advance of this work.
- Emergency vehicles will have access to the roadways at all times.

Please visit the City of Lawrence's Facebook Page (see link below) for construction updates and potential schedule changes. Any questions or concerns can be directed to the contacts listed below. An updated construction notice will be distributed prior to the commencement of Phase 2 of the work.
